Fax:

Mail: #11 - 1600 Derwent Way Delta, BC

Minimum Order: One Case

Payment: We accept VISA, MasterCard, Amex or Pre-Payment. No C.O.D's.

Shipping: We ship via CANPAR ground. Minimum Shipping Charges are \$15 per order. It takes approximately 2 - 3 working days for delivery in Ontario and Quebec and 5 - 7 days elsewhere. It may take longer during the busy Christmas Season. Insurance and handling will be added to shipping charges. An e-mail will be sent the day your order is shipped along with a tracking number and estimated arrival date. Larger orders may be shipped via truck at our discretion. Customer is responsible for tailgate if shipping dock is not available. In the event that an incorrect ship to address is provided and not corrected prior to order shipping, there will be a fee per box/pallet based on carriers current surcharges/fees. Customers are responsible for any shipping fees incurred due to refusal without prior authorization.

Prices: All prices are FOB our warehouse, Mississauga, Ontario. Prices are wholesale and GST/HST is extra where applicable.

Substitutions: If an item is out of stock, we will try to contact you for substitutes and hold the order until noon the next business day. Please provide your daytime or cell phone number to

expedite your order.

Adding to Orders: Due to risk of errors and delays, we do not add to orders.

Back Orders: We do not keep back orders. Please re-order.

Claims for Damages: All damages should be reported immediately to the Carrier Company. Depending on the nature of the complaint we may have the damaged goods picked up for further investigation. **DO NOT** dispose of these items without authorization. All short shipments or discrepancies should be reported immediately via fax or email to us.

Returns: No returns without prior authorization. We will arrange for a pick up if products are shipped in error otherwise all authorized returns must be prepaid. Due to the nature of food products, we do not accept returns. A 20% re-stocking charge is applied on non-food items that must be returned within 7 days. No returns on Seasonal items.

Warm Weather Shipping: During summer months we can ship chocolate products to customers in Ontario and Quebec only with one-day transit time. We charge \$4 per case for ice packs.

Disclaimer: Every effort has been made to provide the most accurate and up to date information. However, we cannot be responsible for any errors or omissions.

Shelf Life: We take special care in selecting items that have extended shelf life, including cheese. Minimum guaranteed shelf life of items is as follows:

a) Shipped Sept-Dec: Early 2025

b) Shipped Jan-Aug: 60 days

If there are any deviations from above, we will seek your approval before shipping.

Pick Up Orders: All pick up orders must be placed online. (Minimum \$300)

FREE SHIPPING ALLOWANCE

All orders exceeding the minimum dollar value for Free Shipping will receive a Free Shipping Allowance. In our experience this allowance covers the vast majority of orders. However, products that are heavy such as glass jars or bulky (containers, gift baskets, filler etc.) may incur some shipping charges. Excludes out of stock items. Customer is responsible for special delivery charges including, but not limited to: express shipping, residential delivery, tailgate service, waiting time etc.

WHY SAVVY? CONSIDER THE FOLLOWING:

1. We are one source for all your gift basket needs. We carry a large selection of gourmet specialties, containers and other accessories especially suited for the gift basket industry.
 2. Assorted cases provide a wide variety with minimal investment.
 3. Our exclusive selection, that is not sold in grocery stores, lets you make your full margin.
 4. Extended shelf life of our products results in no spoilage or special handling requirements.
 5. Our friendly and trained staff help you make the right decisions.
 6. Easy ordering through our website.
- Above all, after serving the gift basket industry since 1987, we understand your special needs. You can count on us to help you build your business.

SHELF STABLE CHEESE

It is made by blending natural cheese with premium ingredients and cooking it to pasteurization. It has all the flavor of natural cheese with the added benefit of an extended shelf life of one year.

Processed Cheese vs. Natural Cheese

While natural cheese is appetizing, Processed Cheese is equally enticing but has a longer shelf life and added functional qualities. Processed cheese can be produced to have the added value of shelf stability that makes it great for gift baskets!

Benefits of Processed and Shelf Stable Cheese

- Shelf stable properties of processed cheese make it a great gift idea.
- Processed cheese has a longer shelf life than natural cheese.

STOCK AVAILABILITY

All products carried by SAKSCO are available either Year Round or on a Limited basis. You can see the availability status of each product in this catalogue under pricing information.

Year Round: Generally this includes all products that are shelf stable and can be replenished in a relatively short period of time. This includes most of the items obtained from USA or Canada with extended shelf life. We are committed to carrying these products through out the year.

Limited: This includes products that are ordered only once a year, such as items imported from Europe or Far East. Once an item is sold out, it will not be available until next year. Other items in this category will include products with short shelf life or seasonal items.

If you are making a presentation or planning to print a brochure or catalogue, it is always safer to include products that are available Year Round.

Products with Limited availability are available during Fall but you should buy as early in the Season as possible to ensure availability.

Top Quality Products with Elegant Packaging at Reasonable Prices

Aunt Gloria's

SNACKTALES

Comfort Collection, Aunt Gloria's, Barista's Best and Snacktales is your symbol of quality, elegance and style. Saksco developed these product lines to meet the specific needs of the gift basket trade.

Starting off with high quality products partnering with famous brand names in United States, Canada, Europe, and developing a package that meets your requirements of colour, size and price point.

So, when you select these brands for your basket, rest assured you are offering customers high quality products with attractive packaging. You can make your full margin as these products will not be available at supermarkets, pharmacies or discounters.

Remember, we always have an unconditional guarantee with everything we sell.

SHOP ONLINE

At www.saksco.com. The fastest, easiest and best way to browse and order:

1. Know the Best-By dates before you buy.
2. Shipping costs are conveniently displayed before submitting your order. You will also receive an estimated delivery date for your order.
3. Shipping date confirmation: Look forward to an e-mail with a tracking number and an estimated arrival date.
4. Easily search our products through filtering by category, specials, price, colour, kosher and more.
5. Ingredients & nutritional information (where available).
6. Web specials are available only to web users.
7. Place orders 24/7 from the comfort of your office or home.
8. Gift Basket samples for ideas, tips and techniques.
9. Read product reviews and create your own.
10. Easy re-order from order history.

We have free shipping offers for web orders. Visit our website to determine the order size required for your area, or see our minimum order table on page 2.

GIFT BASKET SERVICES

For a competitive advantage, you can offer these services to your customers that none of your larger competitors provide:

Custom Baskets: We can design custom baskets based on your needs and products selected from our catalogue.

Adding to Our Baskets: You may want to customize a basket by adding a bottle of wine or items from your client e.g. mug with a logo, diary or a calendar.

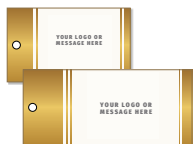

Custom Gift Tag: A message or logo can be added to each basket. All artwork to be supplied by you in 300dpi pdf format. Additional charges will apply if it is not according to our specifications.

Greeting Card: We can enclose a custom gift card with your message, logo or company name.

Boxed Gift Baskets: We can pack one basket per box that is ready to deliver or for shipping.

Media Download: www.saksco.com

You can download high resolution images of all baskets to use on your website, or to create your own brochure. You can also download the entire "Gift Basket Flyer" and customize it to your needs.
